## Areas at risk of Flood and Landslide

What is an elementary school district?

Kurayoshi City has 13 elementary school districts: Kamihojo, Agei, Saigo, Uwanada, Seitoku, Meirin, Yashiro, Nadate, Ogamo, Kamiogamo, Kitadani, Takashiro, and Sekigane. As a basic rule, Kurayoshi City issues an evacuation advisory for each elementary school district.

### Target Area Index Map (Elementary School Districts)

#### How to use the Index Map

In Kurayoshi City, the risk of flood and landslide are shown for each area surrounded by green rectangular borders. The detailed map (S = 1/10,000) for each area is shown on the corresponding page. Please check your area. Always be prepared and aware by asking yourself, what risks are there? Where and how should I evacuate?

※area 11 is created with S = 1 / 12,000.
